ONE DAY, SEMI-PRIVATE SCUBA CLASSES NOW AVAILABLE!

Course Cost \$295

Course Dates:

Sunday October 18, 2009

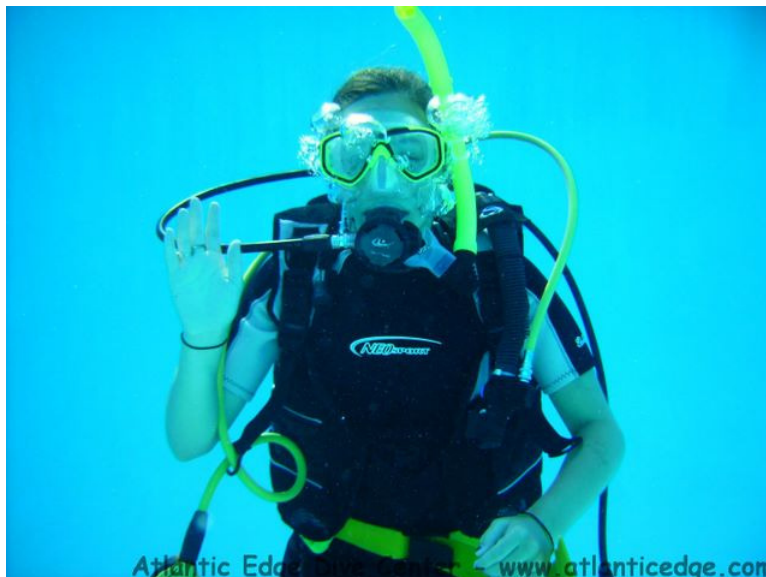

Sunday November 22, 2009

Sunday December 20, 2009

In today's busy world, not everybody has the time to dedicate a full weekend to getting scuba certified. If you are comfortable in the water and have even a little bit of experience snorkeling, getting scuba certified can be a breeze! We have put this special program together for those who are short on time but still want to experience the wonders of scuba diving.

We keep the class size VERY small - with a 2/1 instructor to student ratio. We will send you all of your materials immediately when you sign up, and we have an online learning portal that we have created that you will also get access to help you study. You can study and prepare for the knowledge development at your convenience prior to class, then at class we will focus on any questions and get you right in the water to start diving.
